

Appleton Academy

2018/19

What does the council and our school offer children with special educational needs or disabilities (SEND)? (This is called 'The Local Offer or Summary of Provision')

We are a fully inclusive school who strives to ensure that all pupils achieve their potential personally, socially, emotionally and academically in all areas of the curriculum (regardless of their gender, ethnicity, social background, religion, sexual identity, physical ability or educational needs). This document is intended to give you information regarding the ways in which we support all of our pupils, including those with SEND, in order that they can realise their full potential. It may not list every skill, resource and technique we employ in order to achieve this as these are continually developed and used to modify our provision to meet the changing requirements for individual pupils. We implement a graduated approach; this is based on an Assess-Plan-Do-Review 3 range structure. Other useful documents such as our SEND and Inclusion policy are available on the school website. If you would like any further information about Appleton Academy's Local Offer you can access the following document: "The Local Offer or Summary of Provision for children and young people with special educational needs or disabilities" via the link: guidance from Bradford Metropolitan District Council's Children's Services for SEND. If a child has a Statement of Special Educational Needs or and Education, Health and Care Plan, then we provide the support detailed in the plan

If a child has a 'Statement of Special Educational Needs' and or an 'Education, Health and Care Plan', then we provide the support detailed in the plan.

Specialist Provision the School Offers When Required (These are continually developing)

- Individual Learning Programmes and Additional Teaching
- Learning Menotrs
- Speech and Language Therapy in school
- Nurture provision
- Psychotherapy sessions, mentoring, social intervention groups with Assistant Heads of Year and School Healthcare Practitioner
- Performing arts provision
- Dockside, Lexia
- Success in Arithmetic
- School Healthcare Practitioner – to support family and school with child's health and medical issues and to link with other health professionals
- Dyslexia Friendly classrooms and support with writing

Partnership With Parents

To ensure effective communication and partnership, staff aim to:

- Encourage parents to make an active contribution to their child's education
- Recognise the value of the knowledge, feelings and wishes of the parents at all stages

These aims are achieved by:

- Holding regular review meetings with parents and children to discuss concerns, methods of intervention and to set future targets, supporting parents to help their child at home towards these too.
- Holding parental consultation meetings and inviting parents in to class to see how their child learns.

- Providing support from the SENDCo, school social worker, parent involvement worker and class teachers.

Out of School Hours Activities – Before and After School and at Lunchtimes

We have a varied menu of activities available to children. The aim of our clubs is to engage as many children as possible;

- The clubs will include groups such as Target Reading, Writing and Maths work, Enhancing Physical Literacy, Outdoor Learning, IT skills, Sports, Arts and Music, Drama, Homework and Reading Clubs.
- Outdoor Education provision- mountain biking, climbing, team-building games, archery, dragon-boating (curriculum and after-school clubs) Small group targeted programmes are delivered to pupils to improve social skills and emotional resilience, for example lunch-time nurture clubs, breakfast nurture groups, performing arts drama group.
- Activities are offered across the different Key stages and all children are invited to apply.

Provision is adapted for children with SEND to ensure they can participate fully.

Glossary of terms: Visual Impairment

VI - Visual Impairment

CCTV (closed circuit television) - Not a security feature, but a magnifying camera which can enlarge things on a monitor screen so that people with visual impairment can access text. Some are portable and can store images from the board or at a distance, to be viewed on screen.

Central vision - What can be seen in colour and detail with the macula, when looking straight at the target.

Educationally blind - Not having enough sight to be able to access the curriculum without very significant adaptations (e.g. Braille).

Functional Blindness - Vision so severely reduced that a person is unable to function visually and has to use other senses. **Partial Sight** - Reduced vision: officially visual acuity between 6/60 and 3/60 (registered as partial sight).

Multi-Sensory Impairment

See HI and VI guidance

See HI and VI guidance

Assessment and planning

- Part of school and class assessments
- Visual and hearing assessments
- Functional sensory assessment
- As appropriate to needs; ongoing assessment of communication, cognition, mobility, social and emotional development
- Curriculum plan closely tracks levels of achievement
- IEP targets are individual, short term and specific
- IEP targets jointly formulated and monitored with QTMSI

Grouping for teaching

Daily opportunities for small group work and individual support to ensure access to new experiences and afford opportunities to complete work, preview and review lessons

Curriculum & Teaching Methods

- Significant modification to learning materials and curriculum delivery
- Individual mobility and independence/life skills programmes

Human Resource and Staffing

- Daily access to individual support, trained to meet the needs of pupils with MSI
- Frequent visits from QTMSI
- Input from mobility/rehabilitation officer
- Input from other educational and non-educational professionals as appropriate
- Need for balanced approach to support and intervention to facilitate social inclusion

Glossary of terms Multi-Sensory Impairment

MSI – Multi-Sensory Impairment

QTMSI – Qualified Teacher Multi-Sensory Impairment

Acquired deaf blindness – A combination of visual and hearing impairment which occurs or impacts after the development of a first language.

BSL Interpreter - An interpreter who interprets from spoken English to British Sign Language (BSL) and BSL into spoken English (voice over). The interpreter may use Visual Frame (signing within a limited space appropriate to the needs of the deaf blind person's vision) or Hands On/Co-Active tactile signing (see below).

Co-active / hands on signing- Deaf blind children or young people may use co-active or 'hands on' signing, which involves placing their hands under the hands of the adult to receive information (receptive) or placing their hands over the hands of the adult to give information (expressive)
