## Design and Technology Food Technician Salary: Band 5, SCP 4-6 £15,312-£15,931 per annum 37 hours per week, term time only

Appleton Academy is part of the Exceed Academies Trust, which currently consists of seven academies; five primary schools, an all-through primary-to-secondary school and an alternative provision academy. The Trust has an excellent reputation within Bradford and beyond, and an outstanding record of accomplishment of supporting staff in developing their careers. An exciting element of the Trust is our two Teaching Schools, as well as a SCITT, responsible for teacher training.

The Academy itself is an all through learning environment for pupils aged 3 to 16 and our building provides a wonderful environment for lifelong learning, in South Bradford.

A new and exciting opportunity has arisen for an experienced Design and Technology Food Technician to join Appleton Academy. The person appointed to this post will occupy a key role within the Academy, supporting a cutting-edge learning facility for students and staff. The successful candidate will work alongside the existing DT Technician to provide ongoing support and guidance to classroom teachers when preparing and delivering practical lessons. Previous experience of working within a food technician role is essential.

## The successful candidate will:

- Provide technician support in the specific curriculum/resource area
- Assist teachers in the classroom during practical activities
- Carry out various safety checks
- Advise staff of any changes to relevant technical guidance
- Have experience of previous work within CDT/Food/Textiles Technology environment
- Have the ability to understand classroom roles and responsibilities and your own position within these

## We can offer:

- · Opportunities for innovative ways of working
- An opportunity to build and further develop good practice
- High quality professional development opportunities
- A permanent contract, following a successful 6-month probationary period
