5 Routines and Expectations

Appendix 3: Behaviour for Learning System

[3a Behaviour for Learning Procedure \(Primary\)](#)

[3b Behaviour for Learning Procedure \(Secondary\)](#)

6 Reward System

- 6.1 The reward systems in the academy is 'excellence points' and are based on a credit points system and students work towards bronze, silver and gold awards. All staff use these rewards.
- 6.2 Primary children earn 'lego heads' for their excellence points
- 6.3 Rewards and penalties will be reviewed annually within the academy in consultation with children and young people.

7 Sanctions

Appendix 4a: Primary Sanctions

Appendix 4b: Secondary Classroom Learning Expectations

Appendix 4c: Secondary Corridor Expectations

Appendix 5: Behaviour Contract

- 7.1 The process outlined below aligns with the 'Learning Expectations' and 'Sanctions'.
- 7.2 In secondary Academic and Pastoral Leaders and Pastoral Leaders are in post to support this process. Unacceptable behaviour out of lessons is the responsibility of all adults in the academy. The member of staff witnessing poor behaviour must deal with it immediately in line with the 'Behaviour in the Corridor' sanctions.
- 7.3 The Behaviour for Learning expectations operate as a consequences system based on two areas of expectations: Classroom Learning Expectations and Corridor Expectations. Both contain the following coding for expectations of behaviour and possible sanctions:
 - Green: appropriate behaviour and associated rewards
 - Amber: official warning and consequence
 - Red: withdrawal and extended learning
 - Major Incident: removal from circulation and/or exclusion
- 7.4 All consequences are recorded in the pupil planner and on SIMS. In primary year groups, behaviour violations are recorded on CPOMS.
- 7.5 Major Incident violations are 'Red Line' violations and must be immediately reported to and recorded by a member of the Senior Leadership Team
- 7.6 When a teacher or equivalent is considerably concerned about the behaviour of a pupil, they should contact the relevant year team or class teacher to discuss.
- 7.7 Punishments must be restricted to the individual concerned. Group punishments are rarely necessary.
- 7.8 If difficulties persist, continual misbehaviour in lessons must be referred to the form tutor initially who will escalate when necessary to the Head of Year. In primary ongoing concerns must be reported to the relevant Assistant Headteacher.
- 7.9 Assistant Heads of Year will monitor SIMS reports for their year group weekly reporting to the Head of Year. Pupils causing serious concern will be monitored and supported. A behaviour contract will be put in place with parental/carer agreement and multi-agency involvement will be established at this point if needed.
- 7.10 If a pupil's serious misbehaviour persists, referral is made to the secondary Assistant Headteacher for Attendance, Behaviour and Welfare who will ask the pupil's parents/carers to come in to the academy to discuss the pupil's issues. In primary referrals will be made to the Assistant Headteacher. Pupils causing persistent serious concern will be monitored and supported with targets on their Intervention Plan. This may result in a referral to external agencies for more specialist support
- 7.11 External agency involvement will be evaluated and reviewed by the senior leader or equivalent. Review meetings with parents/carers and concerned agencies will continue.
- 7.12 Personalised Learning provision will be identified if appropriate.

- 7.13 Review meetings will identify appropriate support for the high needs of the pupil and referral may be made to the appropriate Behaviour and Attendance Collaborative (BAC) to access this provision, or, if appropriate, referral will be made to the Executive Headteacher for permanent exclusion from the academy community.
- 7.14 In the event of an extreme critical incident, referral may be made for permanent exclusion by the appropriate Head of School to the Executive Headteacher, without using the behaviour management stages outlined above.
- 7.15 Throughout the behaviour management process of pupils, it is critical that parents/carers and academy staff are aware of actions being taken.
- 7.16 All staff must use the pupil planner and SIMS to record excellent points.
- 7.17 All staff must record negative behaviour reports in the pupil planner and on SIMS.

8 Pastoral Structure

- 8.1 In primary children are organised in classes with pastoral guidance provided by the class teacher.
- 8.2 The pastoral structure in secondary is based on year groups with learners allocated to a form with a Form Tutor. A daily programme during the form period supports literacy/numeracy, British Values and the PSHCE programme. Each year has a Head of Year supported by an Assistant Head of Year. The Heads of Year report to the Assistant Headteacher for Attendance, Behaviour and Welfare and appropriate Head of School

9 Specific Guidance

Behaviour Outside the Academy:

- 9.1 Pupils' behaviour outside the academy on academy business e.g. on academy trips, at sports fixtures, is subject to the academy's behaviour policy. Bad behaviour in such circumstances will be dealt with as if it had taken place in the academy.
- 9.2 For behaviour outside the academy, not on academy business, the Executive Headteacher may exclude a pupil if there is a clear link between that behaviour and maintaining good behaviour and discipline among the academy body as a whole, or if it is deemed to be damaging to the reputation of the academy.

Searching Pupils

- 9.3 Staff members may use common law to search pupils with their consent for any item
- 9.4 Staff members may ask any pupil to turn out their pockets
- 9.5 Staff members may search any pupil's bag or locker
- 9.6 Under Part 2 Section 2 of the Education Act 2011 teachers are authorised by the Executive Headteacher to search for any prohibited item with the consent of the pupil if they have reasonable grounds for suspecting that the pupil is in possession of a prohibited item. Further advice is provided in *Searching, screening and confiscation: advice for schools* (Ref: DFE-00034-2014 Published 14 February 2014 Last updated 18 January 2018).
- 9.7 Searches will be conducted by a same sex member of staff with another same sex staff member as witness unless there is a risk that serious harm will be caused to a person if the search is not done immediately, and where it is not practicable to summon another member of staff
- 9.8 Staff members may require a pupil to remove outer clothing including hat scarves, boots and coats
- 9.9 Pupil's possessions will only be searched in the presence of the pupil and another member of staff unless there is risk that serious harm will be caused to a person if the search is

not done immediately, and where it is not practicable to summon another member of staff.

9.10 Staff member may use such force as is reasonable given the circumstances when conducting a search for alcohol, illegal drugs or tobacco products

9.11 Prohibited items include but are not limited to:

- Knives and weapons
- Alcohol
- Illegal drugs
- Stolen items
- Tobacco and other related smoking items such as e-cigarettes
- Fireworks
- Pornographic images
- Any article that has been or is likely to be used to commit an offence, cause personal injury or damage to school property
- Or any other article that is proscribed by the academy rules

9.12 Any staff member may refuse to conduct a search

Confiscation

9.13 A staff member carrying out the search can confiscate anything they have reasonable grounds for suspecting is prohibited item or consider to be harmful or detrimental to academy discipline. This includes 'legal highs' and other potentially harmful materials which cannot be immediately be identified

9.14 Confiscated items will not be returned to a pupil or their parent/ carer and will, in the case of knives, weapons and drugs, be reported the police

Use of reasonable force

9.15 Please refer to the DfE guidance 'Use of Reasonable Force in Schools 2013'. All members of academy staff have a legal power to use reasonable force. This power applies to any member of staff at the academy. It can also apply to people whom the Executive Headteacher has temporarily put in charge of students, such as unpaid volunteers, cover staff or parents/carers accompanying students on an academy organised visit.

10 Exclusion Procedure

10.1 A decision to exclude a pupil, either for a fixed period or permanently is seen as a last resort. The academy is responsible for communicating to pupils, parents/carers and staff its expectations of standards of conduct. A range of policies and procedures are in place to promote good behaviour and appropriate conduct.

Reasons for Exclusion:

- Serious breach of the academy rules or policies
- Risk of harm to the education or welfare of pupils or others in the academy
- Breakdown of the relationship between the academy and parents/carers

10.2 Any exclusion will be at the recommendation of the Executive Headteacher and at the discretion of the Governing Body.

Temporary Fixed Term Exclusion:

10.3 A temporary exclusion should be for the shortest time necessary.

Persistent or Cumulative Problems:

- 10.4 Where there are persistent or cumulative problems the academy will look at a range of support strategies. These could include:
- Discussion with the learner
 - Mentoring (Teacher/Personal Coach Support or equivalent)
 - Monitoring Report
 - Discussions with parents/carers
 - Target setting
 - Checking on any possible provocation
 - Detention
 - Mediation
 - Counselling
 - Internal exclusion
 - Behaviour Contract

- 10.5 Exclusion will not be used for minor incidents (e.g. failure to do homework, lateness or poor academic performance), except where these are persistent and defiant.

Permanent Exclusion

- 10.6 A decision to exclude a pupil permanently should only be taken:

- In response to a serious threat, or persistent breaches of the Academy's behaviour;

And

- where allowing the pupil to remain in school would seriously harm the education or welfare of the pupil or others in the academy.
- Permanent exclusions are in response to very serious breaches of academy rules and policies or a disciplinary offence such as:
 - Serious actual or threatened violence against another pupil or a member of staff
 - Possession or use of an illegal drug on the premises
 - Carrying an offensive weapon
 - Persistent bullying
 - Racial harassment

Single incident

- 10.7 Fixed term exclusion may be used in response to a serious breach of rules and policies or a disciplinary offence. In such cases, the Executive Headteacher will investigate the incident thoroughly and consider all evidence to support the allegation, taking account of the academy policies. The pupil will be encouraged to give his/her version of events and the Executive Headteacher will check whether the incident may have been provoked, for example by bullying or racial harassment.

- 10.8 If necessary the Executive Headteacher will consult the Chair of the Governing Body but not if they have a role in reviewing the Executive Headteacher decision.

The Decision to Exclude:

- 10.9 If the Executive Headteacher decides to exclude a replace, he/she will:
- ensure that the approved exclusion procedure is followed
 - ensure that there is sufficient recorded evidence to support the decision
 - explain the decision to the pupil
 - contact the parents/carers, explain the decision and ask that their child or young person be collected

- send a letter to the parents/carers confirming the reasons for the exclusion, whether it is a permanent or temporary exclusion, the length of the exclusion and any terms or conditions agreed for the pupil's return
- ensure that appropriate work is set and that arrangements are in place for it to be marked
- plan how to address the pupil's needs on his/her return
- plan a meeting with parents/carers and pupil on his/her return

10.10 An exclusion should not be enforced if doing so may put the safety of the pupil at risk. In cases where parents/carers will not comply, for example, refusing to collect their child or young person, the pupil's welfare is the priority.

Pupils with Special Educational Needs and Disabilities:

10.11 The academy must take account of any special educational needs when considering whether or not to exclude a pupil. We have a legal duty under the Equality Act 2010 not to discriminate against disabled Children and Young People by excluding them from the academy for behaviour related to their disability. The Executive Headteacher should ensure that reasonable steps have been taken by the academy to respond to a pupil's disability so the pupil is not treated less favourably for reasons related to the disability.

10.12 'Reasonable steps' could include:

- differentiation in the school's behaviour policy
- developing strategies to prevent the pupil's behaviour
- requesting external help with the pupil
- staff training

10.13 Where reasonable adjustments to policies and practices have been made to accommodate a pupil's needs and to avoid the necessity for exclusion as far as possible, exclusion may be justified if there is a material and substantial reason for it. A specific incident affecting order and discipline in the academy may be such a reason.

Marking Attendance Registers Following Exclusion:

10.14 When a pupil is excluded temporarily, he/she should be marked as absent using Code E.

Removal from the Academy for Other Reasons:

10.15 The Executive Headteacher may send a pupil home, after consultation with that pupil's parents/carers and a health professional as appropriate, if the pupil poses an immediate and serious risk to the health and safety of other pupils and staff, for example because of a diagnosed illness such as a notifiable disease. This is not an exclusion and should be for the shortest possible time.

10.16 In cases where the Executive Headteacher and parents/carers agree that the progress of the pupil has been unsatisfactory and the pupil is unwilling or unable to profit from the educational opportunities offered. Additionally, if parents/carers have treated the academy or members of its staff unreasonably the Executive Headteacher may require the parents/carers to remove the pupil at the end of a term. This is not exclusion and in such cases, the Executive Headteacher will assist the parent/carer in placing the pupil in another school.

Procedure for Appeal:

10.17 If parents/carers wish to appeal the decision to exclude, the matter will be referred to the Chair of the Governing Body. Two members of the Governing Body, who were not

involved in the initial decision to exclude, will acknowledge the complaint and schedule a hearing to take place as soon as practicable and normally within five days.

- 10.18 Records relating to the decision to exclude and the parents/carers' complaint will be copied to all parties not later than two days prior to the hearing. In no circumstances, however, will the academy or its staff be required to divulge to parents/carers or others any confidential information on or the identities of pupils or others who have given information, which has led to the exclusion or which the Executive Headteacher has acquired during an investigation.
- 10.19 The parents/carers may be accompanied to the hearing by one other person. This may be a relative, teacher, mentor or friend. Legal representation will not normally be appropriate. If possible, the members of the Governing Body will resolve the parents/carers' complaint without the need for further investigation. Where further investigation is required, the Governing Body will decide how it should be carried out. After due consideration of all the facts they consider to be relevant, the Governing Body will reach a decision on whether to uphold or rescind the exclusion or they may make other recommendations. This decision will be made within ten days of the hearing.
- 10.20 The Chair of the Governing Body will write to the parents/carers informing them of the decision and the reasons for it. The decision of the Chair of the Governing Body will be final. The findings of the Governing Body and, if any, recommendations will be sent in writing to the parents/carers, the Executive Headteacher and teacher/form tutor or equivalent.

11 South Bradford Behaviour and Attendance Collaborative (BAC)

Appleton Academy is part of the South Bradford Behaviour and Attendance Collaborative (BAC). The BACs system has been established to enable groups of geographically located schools to work together to support the management of the most vulnerable secondary pupils in the district. This includes managed moves and RAP placements.

Appendix 3a Behaviour for Learning Procedure (Primary)

Primary Behaviour Procedure _ Rewards

The rules:

A positive classroom ethos, clear routines and high expectations are essential in creating a positive learning environment in primary classes. However if, after discussion with an adult, a child chooses to break one of the **Golden Rules**, s/he must understand that that choice has consequences.

Rewards

	Bronze	Silver	Gold
Autumn 1	50		
Autumn	45+		
Spring 1	40+	50	
Spring 2	35+	45+	
Summer 1	30+	40+	50
Summer 2	25+	35+	45+

All children start off with a bronze card in September with 50 Lego stamps. The expectation is that they will keep these stamps by not displaying inappropriate behaviour. If a child receives a C2 then they lose a stamp. Only class teachers can remove the stamps. There will be six points across the year where children can be awarded a badge-use the chart above to check whether a child needs to be awarded a badge.

Bonus stamps can be awarded to children who go **above and beyond** the general expectations – only class teachers can authorise these stamps. If a child receives 155 stamps at any point they will be awarded their badge straight away.

Step Process to Managing Behaviour

Step 1	☐ distraction, subtle ignoring, non-verbal reminder or praise for another child's positive behaviour
Step 2	☐ A verbal rule reminder
Step 3	☐ A warning of further consequences for further rule breaking and consider change of seating
Step 4	☐ Visual recording (linked to theme) to signify the loss of privileges
Stage 5	☐ Move to consequences

Appendix 3b Behaviour for Learning Procedure (Secondary)

Key Stage 3 and 4

The Academy has a clear set of expectations it expects students to follow. This document outlines the expectations we expect of all members of the Academy and states the sanctions used when a student chooses to violate these expectations. The Academy rewards those students and these rewards are also set out in this document.

A positive, ordered environment where students take responsibility for their behaviour, and equipment, is essential to ensuring children and young people are able to learn and meet their potential. Promoting effective learning behaviour is a collective responsibility. Behaviour for learning is reviewed by subject teachers, Heads of Department, Form Tutors, and Heads of Year on a regular basis.

Appleton Academy expects children and young people to be treated with respect, referred to by their first name, welcomed into teaching areas and spoken to in a respectful manner. Teachers are expected to plan good quality lessons that are challenging, engaging and well resourced to ensure learners make the progress required to meet their potential.

Praise, reward and appropriate sanctions for violating these expectations are displayed in the student planner and on classroom walls. All teachers refer to these expectations. In specialist subject areas such as Science, there are additional expectations and learners are made aware of how they particularly apply to the learning environment that they are in. These are illustrated further on the Behaviour for Learning poster.

Rewards

There is a strong ethos of celebrating student success through verbal recognition of a student's hard work, achievements, conduct and contribution.

The Reward system in the Academy in Key Stage 3 and 4 is 'Excellence Points' where students work towards Bronze, Silver and Gold Awards. This collection of excellence points will lead to a range of rewards including;

- Certificates and badges
- Positive phone calls home
- Good bag
- Cinema experience
- Non-uniform pass
- Rewards trip
- Early Friday pass

Excellence points and rewards will be reviewed regularly with students and staff.

Sanctions for Violation

When a student disrupts learning or behaves inappropriately within the Academy there are consequences for those actions. The level of sanction relates very much to the specifics of the incident. It is essential, however, that all staff apply these consistently, follow through the sanctions and are fair to the students. These sanctions are not a choice as they are seen as a punishment for choosing to behave in an inappropriate manner.

All violations must be recorded electronically and in the student planner. Sanctions for violating expectations and the behaviour points given are set out in four categories;

Amber: official warning and consequence (5 points per violation)

Red: withdrawal and extended learning (10 points per violation)

Major Incident: removal from circulation and/or exclusion (15 points per violation)

The behaviour for learning categories, violations and sanction are set out in the Behaviour for Learning posters.

Definitions

Whilst most violations are self-explanatory, the following definitions apply;

Late	Students arriving after the majority of students, after the starter activity or after registration has started will be classed as late.
Boisterous Behaviour	Includes; grabbing one another, jumping on one another, pushing people off chairs, sliding on banister, running in corridors, 'peanutting', use of loud voices in corridors, shouting over balconies, obstructing corridors or stairs.
Major Incident	Major incidents will be decided by a senior leader but could include acts of violence.
Incorrect uniform	Includes not wearing correct uniform, wearing additional items, inappropriate hair styles, wearing facial piercings, ear posts, headphones, inappropriate make up or nail varnish
Inappropriate shows of affection	This relates to students in relationships and includes holding hands around the building, hugging or kissing.
Out of Bounds	Includes being found in the primary areas of school, on fitness equipment unsupervised, in disabled toilets unless given a pass, in the lift without a pass, in the auditorium unsupervised, beyond the higher fitness trail path and on fire escapes. At dinner and break students must in the dinner hall, outside or, if they have a pass, in the library. Any students found elsewhere are out of bounds.

Specific Sanctions

- Any student caught or suspected of smoking will receive a £5 fine, be searched and all cigarettes, lighters, matches etc confiscated and destroyed. The student will have their name added to a daily search list. For first offence arrangements will be made for the student to have a discussion with the school police officer. A second offence will result in community service.
- Students caught chewing gum will be asked to throw away their gum and have any gum confiscated. A further violation will result in a warning with a community service order given for a Third offence.
- Any student out of bounds in primary will receive an Academy Detention
- Swearing and/ or verbal abuse of staff will result in an SLT withdrawal, a same day detention and the undertaking of an intervention promoting acceptable communication.

Monitoring

Correcting behaviour that doesn't meet expectations is the responsibility of all staff. Whilst the responsibility for monitoring behaviour of students on an ongoing basis lies with subject teachers, form tutors and Heads of Subject Disciplines, the Assistant Vice Executive Headteacher for Behaviour and Attendance has delegated further responsibility relating to the points awarded to learners as follows;

Points to trigger action

Weekly

- Two incidents of 'red' behaviour in a day, or five in a week, will result in an Academy detention the following day
- If a Red Incident is issued, this will automatically result in a daily detention. The same is true if a student truants during registration period.
- Subject teachers will issue reflection periods, or short detentions, according to the Staff Behaviour Protocol, and write a note in the planner.
- Heads of Department will call parents if more than three calls are made home for the same child in that subject.
- The Head of Year will call parents if three or more phone calls home are made for the same student.
- If three or more Head of Year calls are made for the same student, parents will be invited to a meeting to discuss their child's behaviour.

Half term

- If a student has received 75 behaviour points in a half term, a student will be expected to attend a Behaviour Review with their parents and Head of a Year and placed on a Behaviour Contract and on report. A report will be provided to the Assistant Vice Executive Headteacher for Behaviour and Attendance. A member of Leadership will be allocated to the student as a mentor.

Term

- If a student has received 150 or more behaviour points in a term, a student will be expected to attend a Behaviour Review with their parents and Assistant Vice Executive Headteacher for Behaviour and Attendance and placed on a Behaviour Contract with a daily report. A report will be provided to the Vice Executive Headteacher Expectations and Ethos.

Should these actions not lead to improvements in behaviour for learning the Vice Executive Headteacher Expectations and Ethos will meet parents to discuss their child's behaviour.
All calls are logged centrally.

Further Sanctions

Whilst the vast majority of students either behave consistently well, or respond positively to correction, there are a minority of students who exhibit behaviour patterns that are unacceptable at Appleton Academy.

In such cases the Academy will consider a number of actions including Behaviour Placement, Managed Move or in the most extreme cases Permanent Exclusion.

Protocols for Sanctions

Withdrawal

A student will be in withdrawal with either form tutor, Head of Year, in student support or with a member of the leadership team. This person is the 'withdrawal supervisor'

- Staff must be informed of a student in withdrawal at the earliest opportunity
- Once allocated to withdrawal, the parents must be informed by a member of staff delegated by Head of Year or a senior leader
- It is expected that the student will then stay in extended schooling until 4:30pm
- Work must be provided in advance or collected for the student (students must not collect their own work)
- On arrival for the start of the day, the student must go straight to their withdrawal supervisor who will register them
- Students stay with the withdrawal supervisor all day including lunch and break times
- Student must be unsupervised at all times
- Withdrawn student must be seated separately to the rest of the teaching group
- If a student is withdrawn for poor/aggressive language towards a member of staff they will be placed in RFC with a member of SLT. Social time will also be removed and a same day detention issued.

Subject Discipline Detention

- In the case of lesson behaviour, a student must be allocated a Subject Discipline detention before an Academy detention
- This is staffed by SLT. It varies in length (20 to 40 mins) dependent on the severity/frequency of the student behaviour.
- Staff are asked to attend for the purposes of restorative justice.
- Subject Discipline detentions are allocated through an incident of 'Red' behaviour in a day
- All detentions must be logged electronically and written in the student planner
- For a Subject Discipline detention, the member of staff awarding detention must contact parents
- During detention students will complete catch up work
- Students must not use laptops unless the detention is given for completing coursework where this may be required

Academy Detentions

- Two incidents of 'red' behaviour in a day, or five in a week, will result in an Academy detention the following day
- Academy Detentions will be for a period of 1 hour

- Parents must be informed of the detention by Heads of Year and a note of the student's behaviour recorded on SIMS and in the planner
- Academy Detentions will be staffed by the Strategic Leadership Team and Assistant Executive Headteacher for Behaviour and Attendance.

Community Service

Students will be allocated community service by a Head of a Year or a member of leadership

- Students given community service are expected to wear an orange high visibility tabard and appropriate safety equipment
- Staff allocating community service must complete the action log and allocate a time for the community service to take place
- Community Service students report to the Estates Manager to perform duties
- A Community Service order is only complete when it has been signed off by the Estates Manager
- Parents will be contacted if Community Service is to take place during extended learning
- Failure to attend community service will lead to withdrawal, leadership detention or fixed term exclusion. However, community service will still take place.
- The names of students completing Community Service will be displayed on the digital screens along with the reason why

Community Service Tasks might include;

- Cleaning canteen
- Cleaning corridors
- Litter picking
- Cleaning off chewing gum
- Maintaining gardens
- Cleaning off graffiti
- Or any other suitable task
