

November 2020

Dear Parent/Carer/Pupil

Appleton Academy works in partnership with Go Higher West Yorkshire (GHWY). GHWY provide activities for our pupils as part of the Uni Connect Programme, which is a national initiative funded by the Office for Students. It offers activities, advice and information on the benefits and realities of going to university or college. You/your child may have already taken part in some activities as part of the Uni Connect Programme, and/or will take part in future activities.

To help Go Higher West Yorkshire report on the progress of the Uni Connect Programme to the Office for Students, Appleton Academy has agreed to share some of your/your child's data with them. More information about what data will be shared, and about your rights can be found in the attached **HEAT Information Sheet and Privacy Notice**. Please take the time to read this document, as it provides all the information about how data will be used, and what to do if you object. Please note that if you are a parent or carer of a young person under 16 years of age, you can exercise the rights set out in the Privacy Notice on their behalf.

Yours faithfully

James Davidson
Higher Education Progression Officer
