Bradford Stories - Connecting Stories Exhibition

In March 2021, children and young people in Bradford, age 7 to 14, were invited to take part in a creative writing competition with the theme 'Connections'.

We are very proud of Leah (pictured right) for reaching the final of the Literacy Trust Connecting stories competition. You can watch the virtual launch here:

As part of the 100 challenge to celebrate Sir Captain Tom Moore's birthday, 6SB have donated nearly 200 items to the Wyke food bank and smashed the target that Mrs Burnham, Miss Newman and Miss Bowen challenged them to. We are so incredibly proud of them.

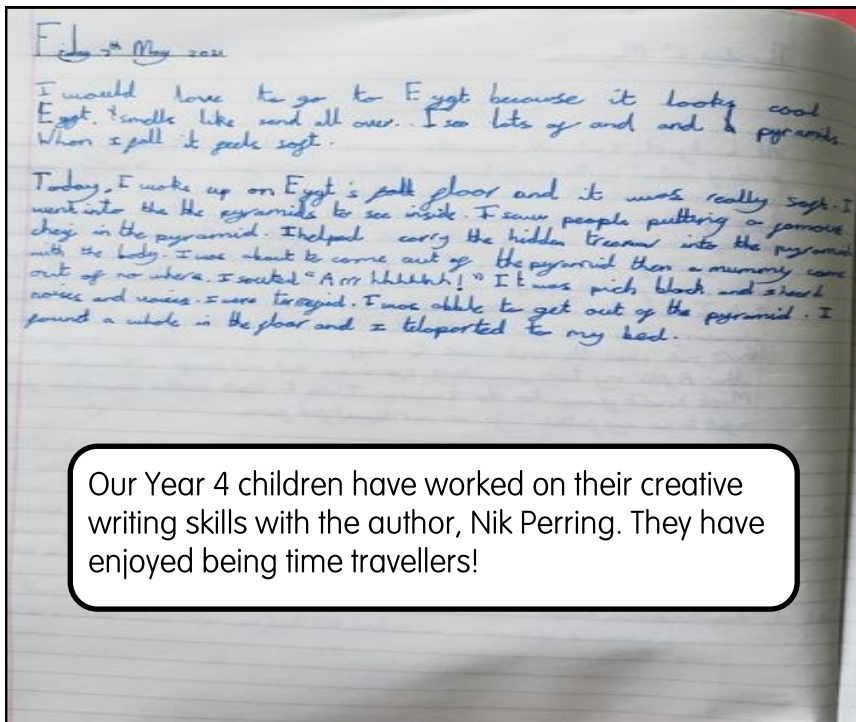

DID YOU KNOW THAT YOU CAN SIGN UP FOR FREE ONLINE STORY AND ACTIVITY SESSION WITH BRADFORD LIBRARIES. SEE THE LINK FOR MORE INFORMATION.

Happy Active Stories

Our Year 4 children have worked on their creative writing skills with the author, Nik Perring. They have enjoyed being time travellers!

Nursery children enjoyed the Happy Active Stories session in April.

Looking forward to sharing this with our Year 9 students.

Lovely reading parcels found their way to our virtual book group. Thanks to Bradford Libraries and Reading Agency.

Congratulations to **James** from 1JB for winning a prize in the Bradford Libraries World Book Day competition. James is pictured with his prize.

Our new Resourced Provision building is now finished. Very exciting for our young people to finally have their own base.

A great new accessible read for students below . Thanks for allowing us the chance to read it
