Welcome back to another new week. I hope you have all enjoyed the bank holiday weekend and managed to avoid the rain! Here is our weekly update on what has been happening in Primary.

Joanne Clayton
Head of Primary

Supporting the Community

This week we have been supporting Wyke Food Bank with their 100 Challenge. We are aiming to donate 100 items of food to them.

Thank you for all your contributions so far—please continue to donate and support us in reaching the target.

Curriculum

Year 3 have been enjoying their history lessons through the topic Stone Age to Iron Age.

They have been using artefacts to find out about what life was like in the past.

Other news

We will be improving the Primary playground in the near future.

This week the children have been involved in deciding what they would like in it.

We have had some very interesting suggestions!

Stars of the Week week ending 30 April 2021

This week the Stars of the Week are...

Nursery	Karlina	3CR	Ava Grace
