Together we *Exceed*

Appleton
Academy

We are now over half way through the half term. The weeks are passing by very quickly although it felt a little less spring-like last week with rain, wind, frost and even some snow.

Joanne Clayton
Head of Primary

Community Work

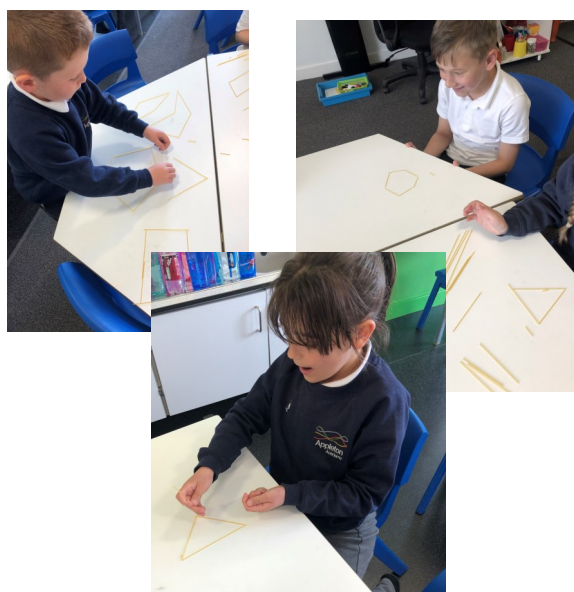

We are still continuing to support the 100 Challenge so feel free to continue sending in your food donations for Wyke Food Bank.

Children in Year 6 have been creating their own 100 challenges including 100 alpaca facts, 100 jobs to do at home and 100 sit-ups!

Curriculum

This half term Year 2 have been learning about shape in maths and have been creating irregular 2D shapes.

A few polite reminders...

I have noticed that more children are arriving or being collected late this week. Please can you make sure your child arrives on time and is also collected at the time they finish.

With the ever changing weather please can you label your child's jumper or cardigan to avoid any mix-ups.

Stars of the Week week ending 7 May 2021

This week the Stars of the Week are...

Nursery	Harry	3CR	Reuben
