

Newsletter

We have received enquiries from parents about sports day this year. We will be holding a sports day for children, within their bubbles. Unfortunately we will not be able to invite our families in to school to watch due to the restrictions that are still in place. We hope to be able to return to past arrangements next year, and invite you to school to watch this and other events and activities.

Joanne Clayton—Head of Primary

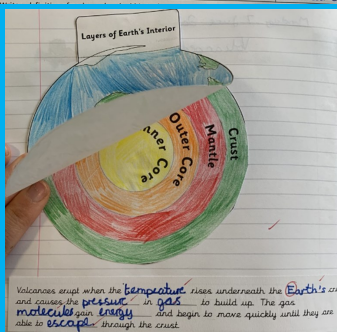

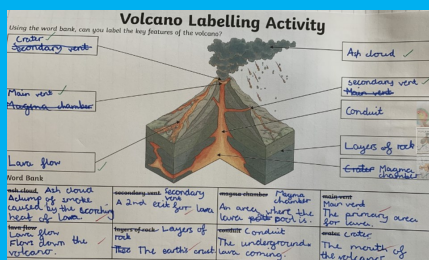

EURO 2020

We had a great day on Friday showing our support for England at the EUROS. The children really enjoyed coming in their sports kits and team colours.

Curriculum

Year 4 have been enjoying their new topic Extreme Earth. They have been learning about volcanoes and earthquakes.

Laptops

We have recently sent out a couple of text messages regarding laptops that were provided during the last lockdown to aid home learning.

If you were allocated a laptop, at any time, please ensure that you return it to school this week. You can hand it over at the main gate to a member of staff on

Duty either at the start or end of the day.

Stars of the Week

week ending 18 June 2021

This week the Stars of the Week are...
