Newsletter

Welcome back to the final half term of the year. I hope you all enjoyed the half term break and you were able to get out and about more now the restrictions are easing. We have had a great start back with the children keen to begin their new topics in their classes.

Joanne Clayton
Head of Primary

A message from Emily our Parental Involvement Officer

Due to all the restrictions in place I haven't been able to run the planned workshops I had hoped to.

In September, I am hoping restrictions will allow these to take place. Until then, here is a link to a course I have carried out, which I hope you find very useful:

https://alison.com/course/advanced-parenting-skills

Please remember, I am available on the gate at the start and end of the school day and can be emailed via:
emily.chesterman@appletonacademy.co.uk

Curriculum

In Reception, we have been making the most of the lovely sunny weather and are spending a lot of time outdoors.

We have been enjoying working in the mud kitchen to develop our maths and science knowledge.

Football Friday

Children may wear a football kit or their favourite team colours to school on Friday 18 June.
No donation is required.

Attendance

We still have a number of children regularly missing school - particularly on a Monday and Friday.

We have made significant adjustments to our curriculum to support children in catching up on the learning they have missed.

Please make sure your child attends school every day so they are not missing out on valuable learning.

Every day Counts

Stars of the Week
week ending 11 June 2021

This week the Stars of the Week are...

Nursery	Iris	3CR	Macie
