

Sept 2021

Dear Parent/Carer

As we begin our preparations for September reopening, this is a good time to remind our parents that they can check their child's eligibility for Free School Meals online.

The only details required are the parent's name, date of birth, home address and National Insurance number. The results are immediate and along with being shown to you, they are sent to the Academy as soon as you receive them.

Parents only ever need to fill this form in once and it is continually updated, ensuring our records are correct.

If you do not have access to a computer or the internet, we do have computers in school, which are available for you to use. Please contact the main office on 01274 600550 for more details.

If your child is already receiving Universal Free School Meals which every child is entitled to until they begin Year 3, you will still need to apply using this system: <https://www.cloudforedu.org.uk/ofsm/bradford-appleton>.

Alternatively, if you would like us to apply on your behalf, please complete the online form via the link below and we will complete the application on your behalf. You will receive notification and the outcome of your application directly <https://forms.office.com/r/fhdUvZBSku>

Yours faithfully

A handwritten signature in black ink, appearing to read "Olivia", written in a cursive style.
