

July 2021

Dear Parent/Carer

**Re: Year 5 Swimming Lessons – September 2021**

Year 5 children will be starting their swimming lessons in September. 5SL will go swimming from September to February and 5JW will go swimming from February to July. Swimming lessons will take place on a Friday morning.

Bradford Council, as the operators of the swimming pool, have shared some information and guidance for parents – see below:

Swimming costumes only - no bikinis

Children to bring their own towel

Short swim shorts/trunks only - long board shorts will not be permitted under any circumstances

Children need a labelled swim bag to keep items in

Goggles are allowed but most children will not require them for lessons

Swim caps are permitted but by no means essential

Long hair must be tied up

Children have cubicles to change in and lockers to keep their belongings in

If you have any questions about swimming lessons, please speak with your child's class teacher when they return in September in the first instance.

Yours faithfully

Mrs Annette Kelly  
Deputy Head of Primary
