Academies Trust

Together we Exceed

The children have continued to settle well into school and their new routines. They are working hard in their lessons.

Thank you to all parents/carers who attended the 'Meet The Teacher' events this week. I hope you found them useful. Dates for Nursery and Reception will go out this week.

Best wishes  
**Joanne Clayton**  
(Head of Primary)

## Playground Update

The playground development is really taking shape now. The children are enjoying using the new playground markings.

Unfortunately we are still not in a position to open the main gate at the start and end of the day as the adventure playground is still being completed. This work was planned for the summer but was delayed due to the contractor suffering supply issues and I'd like to thank you all for your patience while this work is being carried out.

## E-Safety Event

We will be holding an e-safety information session for parents on Friday 1 October at 8.40am in the community room. Sam Halston (Secondary Head of IT) will be sharing information on how to keep your children safe when they are online.

## Governor Vacancy

We currently have a vacancy for a parent governor to join our governing body. If you are interested or would like to know more please contact the academy via [info@appletonacademy.co.uk](mailto:info@appletonacademy.co.uk)
