

September 2021

Dear Parent/Carer

Year 8 have made an excellent start to the year with us at Appleton Academy, they have shown an excellent attitude towards their learning, and have had a very purposeful start to the new school year overall.

We are writing to you with some key information about this academic year, which will be useful for you in supporting your child. We want to ensure, as you do, that your child makes as much progress with us in school as possible this year.

Please find a list of key dates for Year 8 below (please be aware that although most events are planned to take place in school, should we return to a national lockdown or be asked to reintroduce restrictions in response to changes in national guidance governing Covid-19, we may have to review this decision). We will, of course, inform you of any changes to our plans as soon as possible should things change.
