

Parent/Carer Events - Autumn Term 2

We have started to put together the dates for events for parents and carers during the next half term, which are outlined below.

We are pleased to be able to reintroduce time for you to visit classrooms at the start of the school day. For parents and carers who didn't attend last time, this is a chance to see some of the learning that takes place in the classroom and work with your child on a morning activity. Visits will last approximately 30 minutes on specific dates, which you can find below.

If you would like to visit your child's class, please sign up via Eventbrite (the number of places we can offer at each session is limited). A link to Eventbrite will be sent out via text.

We are also still confirming dates for some additional events and will get these out to you all as soon as possible.

If you would like to know more, or you need any support in signing up to events, please come and see Emily Chesterman, Parental Involvement Officer, or a member of staff at the start or end of the school day.

Event	Date and time	Location
