I would like to say a big thank you to everyone who completed the parent questionnaire that was sent out a couple of weeks ago. The response was overwhelmingly positive and supportive.

An area that you felt we could improve on was involving children in some of the parental workshops we do. We will take this on board when planning these in the future.

After the holiday we will once again start holding some open classroom events. This is where you can come to the classroom with your child to see the start of their day. More information about this will be sent out nearer the time.

Best wishes

National Poetry Day

All classes in primary took part in the National Poetry Day this week. Children were busy learning poems and writing their own.

We were lucky to have Donovan Christopher aka Rappaman visit school. Children in Key Stages 1 and 2 were able to watch him perform and work with him to create simple raps and poems.

Eden Camp Visit

It has been great to start planning trips and visits now that the restrictions have lifted.

This week Year 4 visited Eden Camp as part of their topic on World War 2. The children had a fantastic day learning about what life was like during this time.
