Together we **Exceed**

**Appleton**  
Academy

Once again it has been a busy week in primary with lots of fabulous learning taking place. The children have settled well into their morning activities that start when they enter the classroom.

Please make sure your child is on time so they don't miss out on any of their learning.

Best wishes

**Joanne Clayton**  
(Head of Primary)

## Year 6 English

Year 6 have been learning about instructional writing.

They had two sets of instructions to follow to make a Lego model.

They had to then identify key features and discuss which instructions were most effective.

## Year 1

Year 1 have been enjoying their outdoor education and have been den building in Judy Woods.

## Reading Club

Children are continuing to enjoy attending the reading club, where they get the opportunity to read a new book, discuss it, share opinions and listen to those of others.

The book 'Malamander' is a brilliantly plotted mystery, swirling with secrets, myths and the enigmatic residents of one unforgettable seaside town.

## Stars of the Week

week ending 15th October 2021

This week the Stars of the Week are...
