

Primary Christmas Performances

We are pleased to still be able to go ahead with our Christmas performances.

The following measures are in place to keep everyone safe and must be adhered to when you come to school:

- ❖ All parents & carers attending performances will need to wear a face mask. Face masks must remain on throughout the performance. Anyone refusing to wear a face mask will not be permitted to enter school.
- ❖ Entry to all performances will be through the Community Room and will be by ticket only. There will not be tickets available on the day.
- ❖ All parents & carers will be taken in groups to the auditorium to be seated. Please make sure you are socially distancing from other adults who are not with you and that your face mask remains on at all times.
- ❖ Please do not sit in the seats that have been reserved.
- ❖ Entry will close 5 minutes before the performance is due to start – anyone who arrives after this time will not be admitted.
- ❖ Please respect staff who are assisting you to enter school, seating parents in the auditorium, and supervising the performances. These decisions, including to ask everyone to wear a face mask, have been made for the wellbeing of everyone. Verbal abuse will not be tolerated, and you will be asked to leave school.

We hope you all enjoy the performances.
