

5 January 2022

Dear Parent/Carer

As you are aware, Covid cases locally and nationally have been on the rise for some time, and this looks set to continue in the immediate future.

Additional measures to try to address the spread of Covid in schools were announced shortly before we returned from the Christmas break. We have, therefore, made the decision that, given Year 11 are at a crucial phase of their education, rather than cancel the parents' evening scheduled for Monday 24 January 2022, we will now be holding this event online instead.

I am aware that some parents have already made bookings, and I can only apologise for this change to our original plans. However, you will now need to re-book a new appointment for the new event. To make a new appointment, or to attend the virtual parents' evening, please use the following link: <https://appletonacademy.schoolcloud.co.uk/>. When attending your online appointment with staff, you will need access to the internet via a computer or on a smartphone or tablet with a front facing camera.

Details on how to access the parents' evening will be available on our website closer to the date.

If you have any questions regarding these changes, please feel free to email info@appletonacademy.co.uk and ask for this to be forwarded to myself.

Thank you for your continued support and understanding.

Yours faithfully

Diane Whitehead
Deputy Headteacher – Secondary Attainment and Standards.
