

Newsletter

This week our dog mentor Bonnie has been busy visiting classrooms and getting to know the children.

She has settled well into school and is enjoying getting a lot of cuddles from everyone.

Best wishes
Joanne Clayton
(Head of Primary)

School Job Vacancies

In primary we currently have vacancies for lunchtime supervisors.

We are looking for someone who is dedicated to making sure the children have a happy and safe lunchtime.

The hours for the post are daily from 11.30am - 1.00pm.

If you are interested please look on our website for an application pack or contact info@appletonacademy.co.uk for further information.

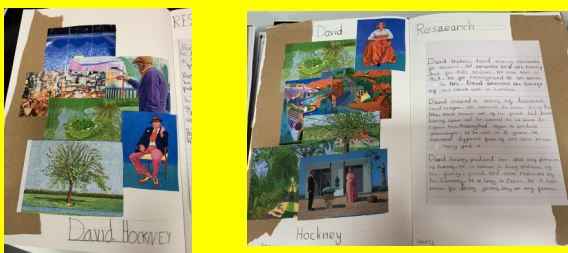

Art in Primary

We have been fortunate to appoint an art teacher to work in primary for the next two terms.

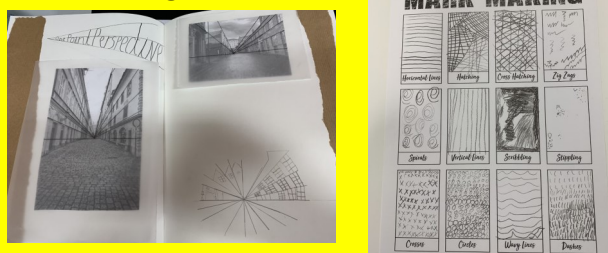

Mrs Harvey will be working with all the classes to develop children as artists, including the use of sketchbooks to record their own work.

Here are some examples of the current work taking place:

Year 6 David Hockney

Year 4 Using Pencil

Stars of the Week Week ending 14 January 2022
