LIGHT THE DARKNESS

27 January 8pm

Light a candle and safely put it in your window

To remember those who were murdered for who they were

To stand against prejudice and hatred today

We are all lighting the darkness on
#HolocaustMemorialDay

Appleton Academy were proud to be standing together to mark Holocaust Memorial Day on the 27th January 2022. Students took part in assemblies and commemorated the millions of Jews and others, who were deemed 'undesirable' by the Nazi regime during the second world war and were inhumanely killed by the same regime.

Year 4 are shadowing the CLIPPA poetry prize and the poet we have chosen to shadow is the brilliant Matt Goodfellow. Which poem will we choose - A special badger or Strest?

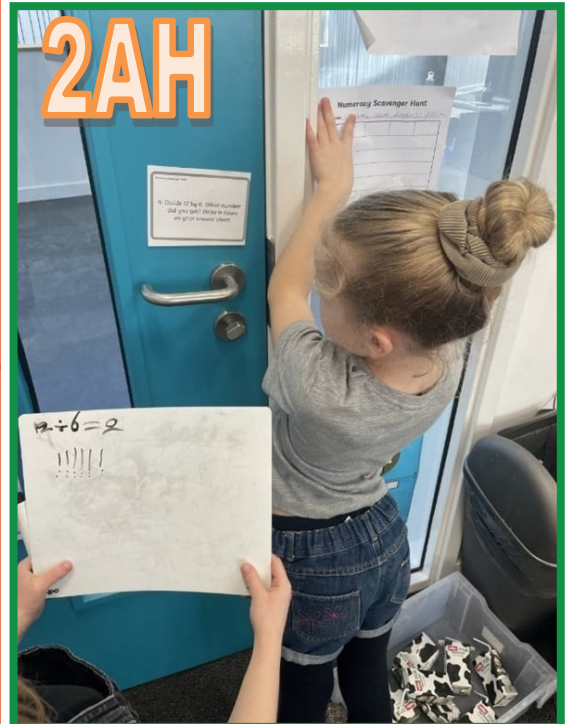

6SB are investigating a range of famous mathematicians and the impact they have had on our lives.

Number Day 2022

1JB

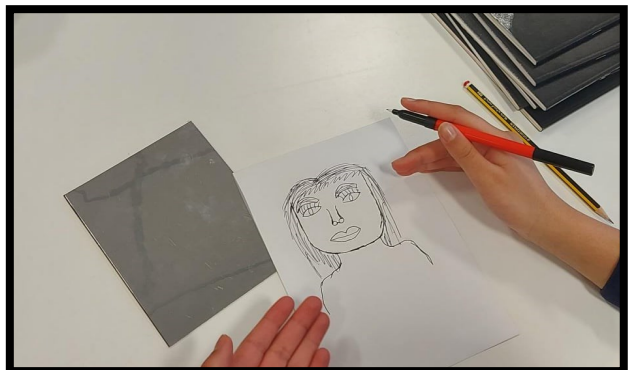

We have enjoyed playing sum bingo, going on a scavenger hunt, playing number games, making our own number books, inventing board games and printing numbers and sums with Lego bricks. We also learnt some new number songs and enjoyed some number stories.

2SM took part in Number Day as part of the NSPCC charity. We spent the day completing fun number activities and challenge. It was a great day and we had lots of fun. We went on a number scavenger hunt where we had to answer a variety of maths questions. We also had a carousel of activities in the afternoon that was super fun. We got busy with adding two-digit numbers by two digit using base 10, using money to make cost of the food item and answered worded division questions!

6SB are enjoying an art afternoon where they are learning how to use different media and techniques to draw self portraits.

6SB have enjoyed their final day rock climbing with the Outdoor Adventure team.

6LH have been creating spreadsheets as part of their computing.

Sharing multi-lingual poetry on the National Literacy Trust story bus with Bradford poet Nabeela Ahmed.

What a great way to celebrate National Storytelling Week at Appleton Academy with a virtual author visit from Matt Wainwright.

It's a dogs life

A wonderful reward for Appleton Academy pupils (and the dog loves it too). LD celebrating getting the gold excellence award with a friend. Windy and cold but well worth it.

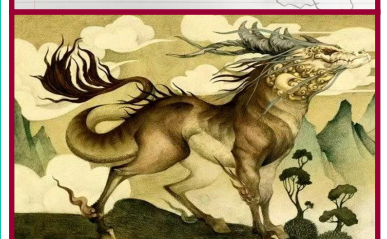

Year 3 100% attenders loved time with Gus.

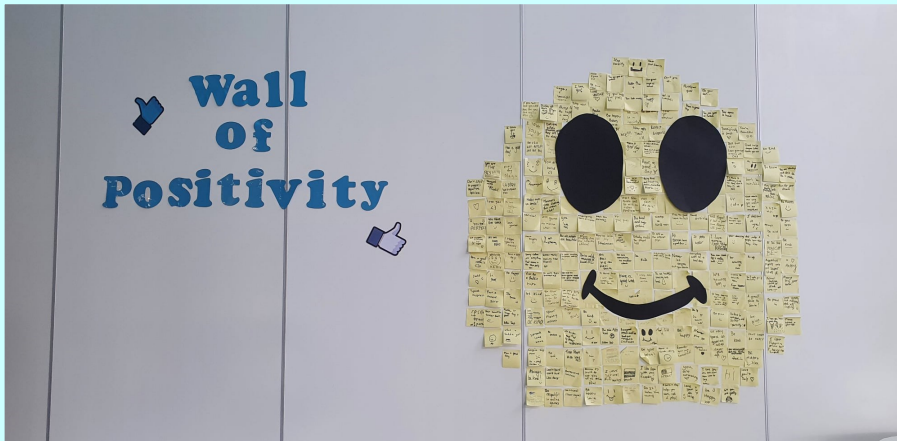

Gus enjoyed running around too!

Here is a picture drawn by one of our students who is new to English. She drew a mythical creature to assist her understanding of the topic. A huge thank you to our wonderful staff who go the extra mile to help our students to be successful!

For Safer Internet Day, students at Appleton Academy created a 'Wall of Positivity' posting their messages to empower & encourage their peers & promote ways to look after the welfare of others online.

For more information about online safety you can use the esafety resources on our website:

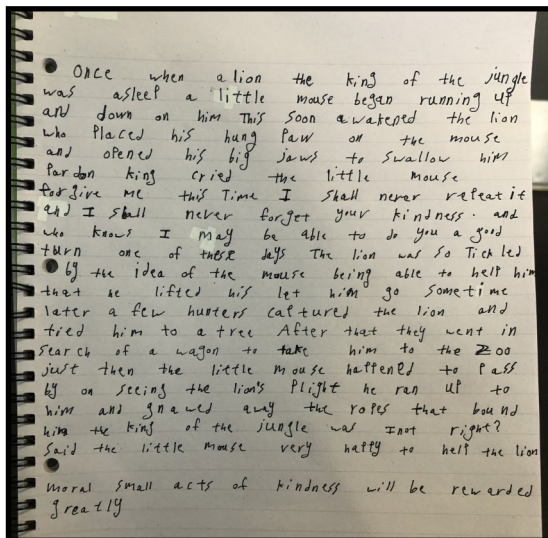

<https://appletonacademy.co.uk/parents/esafety/>

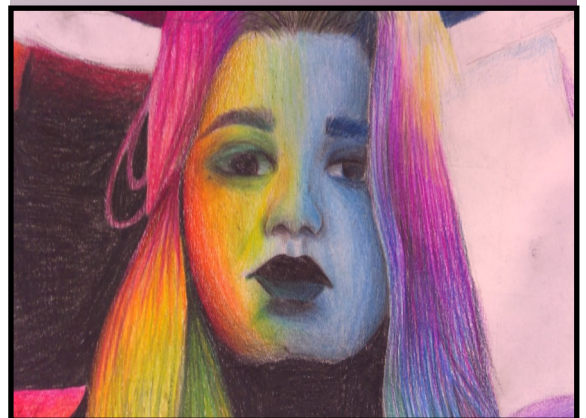

or go to the Safer Internet Day website:

[https://
www.saferinternetday.org/](https://www.saferinternetday.org/)

Here is a wonderful piece of homework by Ali in Y8. He is new to English and has been working hard to tell stories from his country. We are really proud of his efforts, well done!

Fabulous work from BK - Drawing from his own edited photograph

- Attendance: Please contact school everyday that your child is absent, unless otherwise discussed with the Attendance Team.
- We can be contacted on 01274 600550 - Option 1, Attendance, or 01274 421053 (24-hour answerphone).
- We can also be reached by text on 07860 095503, or by email on attendanceteam@appletonacademy.co.uk
