

Newsletter

I would like to say a huge well done to all our Year 6 children who completed their SATs last week. We were all extremely proud of how hard they worked and how resilient they were during the week.

They ended the week with some celebratory pizzas and activities.

I have noticed that there has been an increase in children arriving late this week. Not only does this make it difficult for your child to start their learning but also interrupts the learning of others. If you need support with this please speak to Emily Chesterman regarding this.

Best wishes

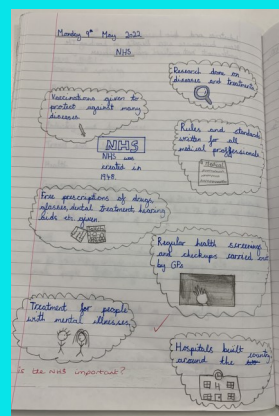

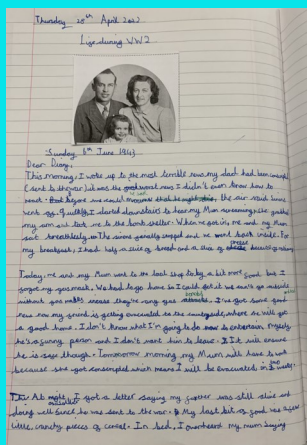

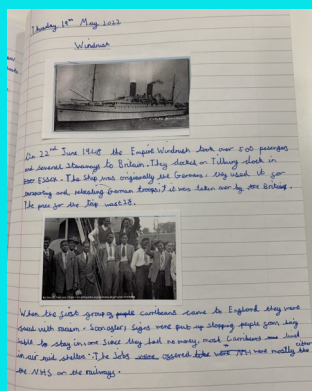

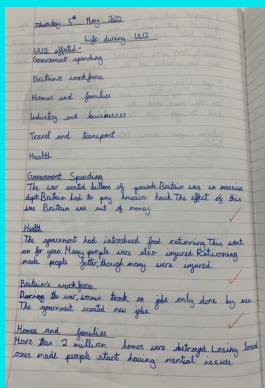

Year 4

Year 4 enjoyed Roman day this week and took part in a range of different activities.

Year 5

Year 5 have been learning about how Britain was rebuilt after WW2.

Stars of the Week
Week ending 20 May 2022
