

Emergency closure plan Friday 10th March 2023

Reading

Listen to this story – Be Kind

<https://www.youtube.com/watch?v=kAo4-2UzgPo>

How can you be kind? Could you help mummy or daddy or another grown-up with jobs around the house? Or by tidying your toys away when you have finished playing with them? Or helping younger brothers or sisters? Take a photograph of you being kind and helpful and upload it to Evidence Me.

Now listen to this poem:

<https://kcls.org/content/here-are-grandmas-glasses/>

Listen to this story – The Rainbow Fish

<https://www.youtube.com/watch?v=QFORvXhub28>

Can you make your very own Rainbow Fish? You could use kitchen foil to make his special shimmering scales.

Now listen to our poem again

<https://kcls.org/content/here-are-grandmas-glasses/>

Can you join in with the actions?

Maths

Go outside and build a snowman.

How long did it take you to build it? How tall is it? What can you use to measure it?

Phonics

Look at the sounds and words in your phonics book.

Ask your grown up to write these words on a piece of paper:

Boat, night, teeth, chair, sing, rain, town, moon, crack.

Now cut them out and scrunch them up into 'snowballs'. Throw them up into the air, catch them, open them up and read the word. How many can you read correctly? Can you say them in a sentence?

Writing

Write a simple sentence about your snowman or what you did on your snow day. Don't forget to take photos and upload everything to Evidence Me!
