Geography	Urbanisation	Urban issues & challenges What is Urbanisation? What causes urbanisation? Page 94 Purple revision book	what is urbanisation?	Monday 18t September
Art	AO4 – complete final outcome plans	Complete your final design plans in full colour. You should have started to plan out your final outcome, you have either completed this in your sketchbook or on a sheet. Ensure you have added colour and annotations to this work. If you have finished, then begin to take reference photos of anything you wish to include which you haven't already explored in your sketchbook. If you have completed this and have any outstanding Artist research pages then please complete these.		Monday 18t September
Photography	AOI – critically assess sources and photographers	Complete any outstanding artist research pages and shoot plans for your 3 photographers on your personal theme so		Monday 18t September

far. Once this is done you may continue to take photos to be used in your projects. Look at your work and see my feedback in the red boxes – please complete the work according to the feedback. 1. Take photographs of garment details which are relevant to your final design. E.g. if you are making a collar on your final piece, take lots of photos of different shaped collars. In addition, draw sketches of the details. Show construction details and where stitching is etc. 2. Complete more of your sketch a days if you didn't finish them in the summer. Take photographs of different lamp designs. You may want to visit shops, look around your home, in magazines. Send your photos onto your teachers which can be added to your powerpoints in lessons. If you do not have a camera/phone available at home – see your teacher in lessons. If you would prefer to sketch the lamps then this is also fine. You can do this alongside photos. Photos of interesting architecture that look influenced by the artist/designers we have looked at already. Completing the lamp research page on their coursework. Create a revision mindmap/ poster of the different types of nutrients and why they are					
Look at your work and see my feedback in the red boxes – please complete the work according to the feedback. I. Take photographs of garment details which are relevant to your final design. Eg, if you are making a collar on your final piece, take lots of photos of different shaped collars. In addition, draw sketches of the details. Show construction details and where stitching is etc. 2. Complete more of your sketch a days if you didn't finish them in the summer. Take photographs of different lamp designs.
