

November 2023

Dear Parent/Carer

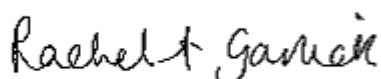

This year, Appleton Academy is once again pleased to be raising money for Children in Need 2023. As one of the UK's biggest fundraising events, Children in Need brings the entire nation together on Friday 17 November 2023 to undertake fun activities to raise money for worthy causes related to the welfare of children. In Secondary this year, we will be doing our bit to raise money by holding a partial non-uniform day, where children can come dressed in one yellow or 'spotty' item in return for a donation of £1.00.

Children must wear the rest of their normal Appleton uniform, including their blazer, alongside this item of 'spotty' or yellow clothing. Students must also bring all of their usual equipment to school to be ready to learn and lessons will take place as normal. Students who are not wearing appropriate clothing will be removed from circulation or may be asked to go home to change.

All of the money raised during this event will be donated to Children in Need, which helps make a real difference to children all across the UK. To find out more about Children in Need, you can visit: <http://www.bbc.co.uk/corporate2/childreninneed>.

We really appreciate your support in helping Appleton Academy raise money for this very worthy cause.

Yours faithfully
