Term Time Only
Permanent, 37 hours per week

A new and exciting opportunity has arisen for an experienced Assistant Head of Year to join Appleton Academy.

The person appointed to this post will occupy a key role within the Academy, supporting a cutting-edge learning facility for students and staff. The successful candidate will join an existing team of Assistant Heads of Year and will work closely with the Heads of Year and Senior Leadership Team to manage and improve student behaviour whilst providing pastoral support to students, as and when required.

Appleton Academy is part of Exceed Academies Trust, which currently consists of thirteen academies; ten primary schools, an all-through primary-to-secondary academy, an alternative provision academy and a specialist setting for children/young people who suffer from social, emotional and mental health difficulties. The Trust has an excellent reputation within Bradford and beyond, and an outstanding track record of supporting staff in developing their careers through specialist training lead by the Exceed Teaching School Hub and our Outstanding SCITT.

The successful candidate will:

- Be able to address the needs of our students and help them overcome barriers to learning
- Be outstanding, innovative, collaborative and have a passion for working with children and young people
- Be able to demonstrate an awareness of emotional well-being and empathy for children and young people
- Be looking to make a valuable contribution to the Academy's successful development
- Have a track record of delivering successful outcomes for young people

The essential requirements of this role are;

Qualifications

- GCSE Maths & English Level C or above
- Evidence of further education or Training Experience
- Working with pupils with learning and/or mental health needs or student support capacity or other specific Behaviour Management
- Working independently and with others
- Experience of working with young people in a school or similar environment
- Use of management information systems (SIMS etc) and associated
