

January 2024

Dear Parent/Carer

Re: Number Day

We are delighted to be supporting the NSPCC by taking part in Number Day on Friday 2 February 2024.

Everything the NSPCC does protects children and they need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people, whatever their problem or concern.

On average, a child contacts Childline every 25 seconds.

On Friday 2 February 2024, we will be making maths meaningful for Number Day. This is a great way to make maths fun and bring about a positive, 'can-do' attitude. We are having a fun day of maths activities and we will be taking part in Dress up for Digits. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Alternatively, they could get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for a voluntary contribution of £1.00, and we'd love everyone in the school to take part in this special event.

Any contributions we receive soon add up and we're really looking forward to all the fun of Number Day and would really appreciate your support. All the money we raise at Appleton will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

You can find out more about the NSPCC's work by visiting their website: nspcc.org.uk.

Yours faithfully

Mrs Burnham and Mrs Morgan
Primary Maths Leads
