

March 2024

Dear Parent/Carer

### Red Nose Day in Secondary

We are delighted to be supporting Red Nose Day on Friday 15 March 2024. Red Nose Day is a fundraising event held annually by Comic Relief to help tackle child poverty, both in the UK and abroad. Participants are encouraged to 'do something funny for money'.

On Friday 15 March 2024, we will be holding a number of fundraising events in school for students to get involved with. These will be 'pay to play' activities that take place at break and lunchtime. Many of our lessons on the day will also have a Red Nose Day theme.

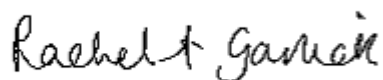

Students may wear an item of red clothing OR pyjamas OR something funny, such as school appropriate fancy dress. To help raise money for Comic Relief, we are asking for a voluntary contribution of 50p and we would love everyone in school to take part in this special event.

The 'pay to play' games and activities for students to get involved with throughout the day will support our fundraising efforts. Students do not have to take part in these activities, but for those who wish to, the cost of these games will range from just 10p up to a maximum of £1.00. If students wish to join in, they will need to bring cash in change and will not be able to use ParentPay to pay for these activities.

Any contributions we receive soon add up and we're really looking forward to all the fun of Red Nose Day. We would really appreciate your support and the money we raise at Appleton will make an enormous difference to children today and help Comic Relief be there for children tomorrow.

You can find out more about Comic Relief's work by visiting their website: [www.comicrelief.com/rednoseday/](http://www.comicrelief.com/rednoseday/).

Yours faithfully
