

EXAMINATIONS

Exam Boards

The following Examination Boards are used at Appleton Academy

- [Edexcel](#)
- [AQA](#)
- [OCR](#)
- [WJEC](#)

The Joint Council for Qualifications is the overseeing body of the Examination System and their website is: <http://www.jcq.org.uk/>

Summer 2024 Exams

The main external exam series takes place during May & June.

To download the summer 2024 exam timetable once released click [here](#)

All Year 11 students will receive a copy of their own personal timetable once it is finalised, we would advise students to refer to their personalised timetable rather than the one above (in case of any late changes to the schedule).

Please be aware of the following rules and regulations:

Results Day

Results days at Appleton are extremely busy. Exam results for GCSE, BTECs, Cambridge Nationals and Other Level 2 Qualifications can be collected from school between **9.00am and 11.00am** in the Primary Sports Hall on **Thursday 22 August 2024**. Students are expected to be in attendance to collect their results. Staff are available on results day to assist any student (*in attendance*) whose results are below expectation.

It is school policy that **results will not be given over the telephone or by e-mail**.

We will accommodate requests for alternative arrangements as outlined below, but these should be agreed **before leaving for the summer break**.

1. Stamped self-addressed envelope for results to be posted.
2. Written authorisation, *from the student*, for someone else (including parents) to collect results on their behalf on the day
3. **GCSE review of marking/copy exam scripts can be requested until 26 September 2024**. After that date no further reviews of marking are possible (*Exam Board Rules*)
