

November 2024

Dear Parent/Carer

On Thursday 5 December 2024, we will be hosting the following two events in the Community Room:

8.30am - 9.30am – Join us for a warm drink and light breakfast and have a look through some winter clothing items which have kindly been donated. These are in both adult and children's sizes. These items include coats, pyjamas, winter footwear and more. Please feel free to take what you need.

We also have some pre-loved toys and gifts at a small cost. There may be some stocking fillers for your loved ones.

2.30pm - 3.30pm – Please join us to play some fun family games in the Community Room. We have a tombola with some great prizes to be won, name the teddy and guess how many sweets are in the jar. There will be a small cost for the games so please bring some loose change with you to join in.

School Home Support (SHS) will also be coming along if you would like to find out more about their services.

In the final week of term, children will be given the chance to purchase raffle tickets to win a Christmas prize. Prizes will be displayed in the Community Room window and a text message will follow with more details nearer the time.

Everyone is welcome so please come along.

Yours faithfully

Emily Chesterman
Parental Involvement Officer
