

November 2023

Dear Parent/Carer

Welcome back to the new half term, I hope you all had a good break and have enjoyed the autumn weather.

This half term is a very busy one, as we have a number of events taking place which begin with our parents' evenings in a couple of weeks.

For families who are new to Appleton, please be aware that we use an online booking system for parents' evenings. You will receive a text message with a link to the system and then you will be able to book your appointment. If you do not receive a message, please contact the Academy to ensure that we have the correct contact details for you.

I am providing details of the key dates for this half term in the table below. You will see that the dates also include those for the Christmas disco and Christmas performances. Please note that tickets for performances will be limited to two per household, per performance. A text will be sent to parents later in the term with details of how you can book your tickets. Information about the disco will be sent out to parents nearer the time. Additional information regarding costumes for performances will be sent out by our class teachers. On party days, children can either come dressed for their party or bring their clothes to get changed into.

We look forward to an enjoyable half term and some exciting events to be shared with pupils and parents.

Yours faithfully

J Clayton
Head of Primary
