

December 2024

Dear Parent/Carer

The school has been given the opportunity to take part in a project that will run jointly between schools and West Yorkshire Police.

Operation Encompass involves the police reporting to schools, prior to the start of the next school day, when they have attended domestic abuse incidents where there are children in the home who attend that school.

Operation Encompass will ensure that a Designated Safeguarding Lead (DSL), known as a Key Adult, is trained in school to allow them to liaise with the police and to use the information that has been shared in confidence. This will ensure that the school is able to make provision for possible difficulties children or their families may experience as a result of these domestic abuse incidents.

We believe that this partnership allows us to offer the best possible support for students and their families and will be extremely beneficial for all those involved.

Yours faithfully
