

January 2025

Dear Parent/Carer of Years 10 & 11 Scholars

We are pleased to invite you and your child to join us in school for the **Scholars Programme Celebration Evening on Thursday 6 February 2025 which will take place between 4.30pm and 6.00pm.**

This is a celebratory event to mark the successful completion of the Scholars Programme with our very first cohort of scholars at Appleton Academy. The attendance of all fellow scholars and parents & carers is important to mark this major achievement. We have planned a wonderful evening with presentations from students, awards and certificates. Refreshments will also be available.

As Year 11 scholars will graduate from this programme, this is an opportunity for Year 10 scholars to celebrate everything they have achieved on the programme to date and support Year 11 on their completion.

Your presence would mean a lot to us and all fellow scholars. You have been an important part of their journey and we look forward to celebrating with you.

Please complete the Microsoft Form via the link below to confirm your attendance:

<https://forms.office.com/e/V963fUDPfw>

If you have any issues accessing the link above or questions about the event, please email info@appletonacademy.co.uk in the first instance and a member of staff will contact you.

Yours faithfully

The Appleton Academy Scholars Team
Mrs R Garlick – Head of Secondary
