

February 2025

Dear Parent/Carer

Year 11 Mock Examination Timetable

I am writing to inform you about the upcoming second set of Year 11 Mock Examinations, which will take place from Monday 24 February, and will run for one week. These mock exams are an essential part of your child's preparation for their final GCSE examinations, providing an opportunity to practise under exam conditions and identify areas for further revision that we can help your child with.

Attendance and Preparation

It is imperative that all students attend school every day during this exam period. Each exam is scheduled only once, and due to time constraints in the lead-up to the final exams, there will be no opportunity for students to re-sit any missed exams. Any absence may significantly impact their ability to gauge their progress and receive valuable feedback. Morning exams will start in form time so it is essential that your child is in school on time ready to start. School opens at 8:30am for Year 11 students.

Students should be revising thoroughly in preparation for these assessments, treating them with the same level of importance as their actual GCSEs. All students have access to GCSEPod and have received revision packs and guidance. In addition to this we are also running an 'Ace Your Exams' workshop with Elevate Education who will join us in school to work with Year 11.

Exam Timetable

A full timetable of the mock exams can be found below. Please ensure that your child is aware of their exam schedule and arrives at school fully prepared each day.

Should you have any questions or require further support regarding the mock exams, please do not hesitate to contact the school.

Thank you for your continued support in ensuring your child is fully prepared for these important assessments.

Yours faithfully

Miss Derrington
Deputy Headteacher

Timetable

Date	Period	Subject Title
Mon 24.02.25	AM Exam 8.45am start	Maths Paper 1
