

March 2025

Dear Parent/Carer

We are writing to remind you that our Year 9 Options Evening will be taking place on **Wednesday 12 March 2025**. We hope you find the evening useful for you and your child.

This is a general options evening and is a chance for you and your child to speak to staff about the options on offer next year and seek support in making the right choices. The evening will run between **4:30pm and 6:30pm** and you will also have the opportunity to attend a presentation delivered by the Head of Secondary, which will give you more information about the options process over the next few months. The presentations will take place at 5.00pm and 6.00pm in the Auditorium.

There will be a series of 'subject stands' which will be manned by subject teachers who can talk to you about the exciting opportunities available in their subject areas. There is also a careers exhibition, including stands from various colleges and further education providers, which will give you and your child an opportunity to find out about entry requirements for future study and careers.

Please find below a link to our options evening booklet and details about your child's unique web code.

#### **Options Booklet**

Our options booklet can be found on our website at the following link:

<https://tinyurl.com/th59j6ku>

#### **Web Code:**

Please click on the link below to complete your child's options form (Opens 13 March):

<https://my.edval.education/login>

**Your child's unique web code will be given to them in tutor time on Thursday 13 March 2025, to enable them to gain access and pick their options. You will need this to make your child's selections with them.**

If your child has not received their web code by Friday 14 March 2025, please email [info@appletonacademy.co.uk](mailto:info@appletonacademy.co.uk) and we will provide this for you via email.

If, after the options evening, you are still unsure about the process or which options to choose, please do not hesitate to contact me at school.

Yours faithfully

Alex Derrington  
Deputy Head of Secondary
