

April 2025

Dear Parent/Carer

Re: SATs Parent Meeting

We are writing to thank you for your continued support in the run up to SATs week and to inform you of the opportunity for you to meet with your child's class teacher.

This will be a chance to ask any questions regarding the SATs week, which runs from **Monday 12 May to Thursday 15 May 2025** and understand how you can best support your child in the last few days before this assessment week.

The meeting will take place in the small hall on Wednesday 7 May 2025 at 3.15pm.

Please reiterate at home how proud we are of our pupils. We believe that they can succeed.

Yours faithfully

A handwritten signature in blue ink that reads "K Ballantyne".
