These assessments are an important part of your child's academic journey and will help both students and staff to gauge their current progress, identify strengths, areas for improvement, and prepare them for the demands of GCSE examinations in Year 11.

Mock exams will take place under formal examination conditions and will include all core subjects, as well as selected option subjects. Your child has already received their personalised timetable of the exams they will be sitting and will be given a copy of the new timetable so they can amend theirs accordingly as their seat numbers will not change. Please ensure that your child reviews this timetable carefully and prepares accordingly.

To support your child's success, we recommend that they:

- Follow a structured revision timetable
- Make use of revision resources provided by their subject teachers
- Attend any revision sessions or extra support classes available

We understand that this can be a stressful time for some students, and we will continue to provide support and guidance throughout the exam period. If you have any concerns, or if your child requires additional support, please do not hesitate to contact their form tutor or Head of Year.

Thank you for your continued support. Together, we can ensure that your child is fully prepared and confident going into these assessments.

Yours faithfully

Alex Derrington  
Deputy Headteacher
