Can you tell your grown up your favourite part and why you like it and then create a picture of it? Mrs Searle's favourite part is the Skeleton Zoo because I like the Skeleton Elephant! Encourage maths talk in every day activities – pairing up and matching socks in the washing, exploring halving sandwiches, fruit...etc when making lunch, counting the steps as they walk up/down them at home, when playing counting the bricks/figures/items they are using...etc.
	Understanding the world	Explore the different kinds of weather we can have. Discuss with your children what they are? What is their favourite kind of weather? Why is this?

		Discuss with your child what they would need to wear for the different kinds of weather. Would we wear shorts if it is snowing? When it is sunny what should we wear to protect our selves? Can we wear sandals if it is raining? Why not? Can they choose one kind of weather and draw a picture of themselves and what they would wear.
