

Suggested activities your child can do if they are unable to access remote learning online.

Literacy

Writing a wish list to Santa of three things that would make them happy.

Name practise – your child can practise writing their name by writing, using shaving foam, ordering their name (cut up into individual letters).

Write Christmas cards to friends and family

Maths

Recognising numbers using their advent calendars at home.

Doing a scavenger hunt around your home:

Can you find a wooden spoon?

Can you find a metal spoon?

Which is the longest? Which is the shortest?

Can you find something that is longer than the wooden spoon?

How many baubles can you count on your Christmas Tree?

Which one is the biggest? Which one is the smallest?
