Dear Parent/Carer

We would like to take this opportunity to say a huge thank you for your continued support with homework completion during the last half term. Your encouragement at home makes a real difference to your children's learning and helps them to build positive study habits.

The Homework Grids for Half Term 2 are now available. These can be found in your child's year group section on our school website, and I have provided links to these below for your convenience. These homework activities will take us up to Christmas, and we are looking forward to seeing the same fantastic effort applied to these tasks and activities as we have already seen in the previous half term.
