

November 2025

Dear Parent/Carer

We are very pleased to inform you that we are organising a visit to University Centre Leeds as part of the 'Think and Go Higher' programme your child has been participating in at Appleton Academy.

The visit will take place on Wednesday 17 December 2025 for the full day. We will be travelling by coach, so please can you ensure your child is in school (and in full school uniform) no later than 8:40am on the day. We are aiming to arrive back at school by 3.20pm. There is no cost for this visit and lunch will also be provided for free on the day.

The trip to University Centre Leeds will offer many exciting opportunities and experiences designed to reinforce and further your child's learning in a fun and stimulating environment. Year 8 students will be participating in an ice cream challenge. The Year 9 group will create earthquake proof buildings and Year 10's will take part in creating a digital app. All winning groups will be awarded with a prize.

We ask that parents and carers please fill in the MS form by scanning the QR Code below. Please complete the form no later than Wednesday 3 December 2025.

Yours faithfully

*F.Begum*
