Dear Parent/Carer

## Seasonal Flu vaccine offer – Reception to Year 11

The seasonal flu vaccine is part of a national health programme to protect children, their families and communities. For more information including possible side effects please visit: [Flu vaccine - NHS](#)

Please click on the link below or scan the **QR code** for the online response form. You will need to use the **unique school code** provided to complete the consent form as soon as possible. You will need to submit one form per child. **Appleton Primary school code: BF145173A**

or <https://www.bradfordschoolimmunisations.co.uk/Forms/Flu>

**Please let us know your response to be entered into a prize draw to win one of two £100 or 30 x £30 shopping vouchers.**

### Does the nasal spray contain porcine?

Yes, but it is a very purified version which is barely detectable and because it is for medical purposes, it has been deemed permissible for use by the British Fatwa Council. We can offer an injectable vaccine alternative that **DOES NOT** contain porcine. This vaccine is only administered in those that require it for medical or cultural purposes. For primary school aged children, those having an injection need to be accompanied by a parent, the team will be in touch to offer you a clinic appointment.

**After submitting consent, if your child attends the GP for the vaccination, you change your mind or if there are any health changes, you MUST contact us on the number above.** (Please note that GP practices do not routinely offer Flu vaccinations to healthy children)

Providing you enter a correct email address, you will receive email confirmation when your child has received their vaccination, including information and advice about common side effects your child may experience.

**Support in accessing or completing a form:** If you experience any problems accessing or completing the online form, please contact us on the above telephone number and a member of the team will happily call you back to help.

Yours faithfully  
School Aged Immunisation Service

## Dear Parent/Carer

All children in school from reception to Year 11 will be invited to have their flu vaccination.

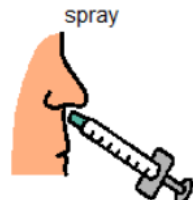

### GP practice

Your child will only be able to have their flu vaccination at the GP practice if their GP offers them the vaccination there.

Please read the information we have sent to help you make a decision.

You can choose the **Nasal Spray**, this is the most effective vaccine for those under 18-year-old.

### injection

Or

The **porcine (pork gelatine) free** flu injection.  
(This does not contain pork gelatine)

Once you have made your decision, please call us so we can book your child a clinic appointment.

**Phone 01274 221269**

If your child is vaccinated, we will update their GP vaccination record.

If you have any other questions, please call us on free phone:

**Phone 01274 221269**
