

January 2026

Dear Parent/Carer

I am writing to inform you that students in Textiles have now started work on their Non-Exam Assessment (NEA). This is an important part of the qualification and will contribute 40% towards their final grade.

We have set a deadline of Friday 20 March 2026 for completion of this work. To help ensure your child stays on track, we encourage you to check in with them periodically about their progress. Regular conversations at home can provide valuable support and motivation as they work through their tasks. You will find the tracker of work to complete, along with their deadline dates, below.

If you have any questions or concerns, please do not hesitate to get in touch.

Thank you for your continued support.

Yours faithfully

Sophie Hayward
