

April 2026

Dear Parent/Carer

I am writing to inform you of an exciting support opportunity we are offering your child. Following the reading tests we conducted recently, we are implementing support strategies to ensure that all of our students can develop their reading skills. Your child has been identified as part of the group who will access the Bedrock Intervention Programme.

This is an opportunity for students to enhance their vocabulary acquisition and overall comprehension, which will strengthen their ability to engage with texts across all subjects. The interventions will occur during normal curriculum time and will be led by English specialists.

Students will be accessing software that ensures the intervention is bespoke to their needs. We are excited to see their progress and development as we continue our commitment to strengthening reading across the Academy.

If you have any questions, please email info@appletonacademy.co.uk in the first instance.

Yours faithfully

Mr M Law
Assistant Head of English
